

# Commercial Output Program

For insurance carriers seeking a comprehensive program for writing and rating large-to-medium-sized, multilocation commercial property risks, AAIS delivers a highly regarded program that includes built-in commercial property and inland marine coverages, as well as flexible rating procedures to rate each risk individually.

## Member Value

- Open perils building and personal property coverage.
- Coverage for buildings under construction.
- A choice between blanket or scheduled coverage, or a combination of the two.
- Business income, equipment breakdown, and spoilage options.
- Coverage for mobile equipment throughout territory.
- Built-in coverage extensions and supplemental coverages for rewards, brands and labels, consequential loss, and inventory and appraisals.
- Built-in coverages for accounts receivables, property in transit, property on exhibit, sales representative samples, fine arts, and valuable papers.
- Built-in computer coverages including virus and hacking and software storage.
- Discovery and loss sustained crime coverage options.
- Green coverage options.
- A flexible, deficiency point rating methodology underwriters can use to reflect relevant risk characteristics.

## High-Tech Delivery

- Online delivery of forms, manual rules, rating information, and related material.
- COP materials available on Reference Connect.

## Dedicated Service

- Commercial Output experts to respond to your inquiries and support your success.
- Compliance team dedicated to keeping AAIS programs compliant.
- Onboarding services to identify solutions for affiliates and define and deliver customized onboarding services to ensure efficient implementation of AAIS programs.
- Statistical reporting services.
