

Inland Marine Guide

For insurance carriers seeking a comprehensive, best-in-class inland marine program with extensive industry acceptance, AAIS delivers the industry's premier resource for forms, rating procedures, underwriting guidelines, and other information for the traditionally nonfiled inland marine classes.

To ease implementation, AAIS's Inland Marine Guide forms, rules, and rating procedures are filed in jurisdictions that do not exempt inland marine insurance from filing requirements.

Member Value

- More than 450 multistate forms, endorsements, and schedules, plus required state-specific endorsements for the following classes:
 - **Construction:** Builders' Risk, Civil Works Projects, Contractors' Combination, Contractors' Equipment, Installation Floater, Riggers Coverage
