

Regulatory Compliance

For speedy, reliable insights and action on legislative, judicial, or regulatory changes that affect insurance products and services, look to AAIS.

AAIS Government Affairs, Legal & Compliance professionals continuously monitor the regulatory environment for changes in the evolving P&C marketplace and timely updates to our Members. That vigilance also helps ensure AAIS maintains compliant forms.

Member Value

- Participation in government relations activities through associations and other national entities.
 - Sharing information on impending regulatory actions with Members.
 - Contributions to policymaking decisions that shape regulation.
- Continuous monitoring of legislation and court decisions that trigger notifications to our Members of any changes needed.
- Expedited development of compliance filings to allow companies to adopt solutions immediately upon regulatory approval.
- Delivery of those changes with clear concise instruction on impact to products.

High-Tech Delivery

- StateNet and LexisNexis Research Tools.
- Use of social media, intellectual capital, as well as the traditional advisories and bulletins to notify Members of important compliance information.

Dedicated Service

- Seasoned attorneys with private-firm claims defense and product development experience.
- Compliance professionals with decades of insurance company compliance.

- Consultative reviews of programs for compliance and filing support for custom programs.

AAIS...An Open Book

Unlike other national advisory organizations, AAIS continues to provide a neutral, unbiased environment where data and information may be shared. AAIS is redefining Membership with an open, secure, and flexible platform that promotes scalability and speed to market while driving innovation, differentiation, and competitive advantage for all Members of the AAIS Community.

- At AAIS, “open” means transparent. We freely share our strategies, development plans, and technologies.
- “Open” means equitable, where all Members, regardless of size, realize common benefits of participation in a secure environment that fosters trust.
- Our open platform provides all Members access to the full complement of AAIS programs, services, technologies, and tools.
- Our open Community supports sharing...sharing select data and information, sharing experience, sharing technologies, and sharing success.
