

# AAIS Partner Program

Founded in 1936, the American Association of Insurance Services (AAIS) is the only national not-for-profit insurance advisory organization governed by its Members. At AAIS, our top priority is the success of our Members. Through the AAIS Partner Program, we seek to partner with companies that can help our Members achieve measurable results and sustainable growth.

The AAIS Partner Program enables us to provide added value to the AAIS Membership by connecting Members with specially selected Partners that can help Member carriers better serve their clients. AAIS Partners expand our community and enhance collaboration and support for Members.

## Partners for Success

At AAIS, we welcome the opportunity to work with innovative companies that share our goal of improving the P&C insurance industry. As a valued AAIS Partner, you will be part of the AAIS Community dedicated to supporting the success of our Member carriers.

## Member-Focused

AAIS is committed to delivering high-quality insurance products, advisory services, and innovative technology to our Member carriers. Our Member-focused approach positions our Member carriers to achieve measurable results and sustainable growth. The AAIS Partner Program is a key part of supporting Member success.
